**PRESENTATION OF PETITIONS, MEMORIALS, SPECIAL RESOLUTIONS, AND COUNCIL RESOLUTIONS**

PROPOSAL NO. 36, 2007. The proposal, sponsored by Councillors Mansfield, Nytes, Bateman, Moriarty Adams and Keller, Sanders, Conley and Gray, supports the passage of Senate Bill No. 9 currently before the Indiana State Legislature for consideration in the 2007 term.

Councillor McWhirter moved, seconded by Councillor Cockrum, to send Proposal No. 36, 2007 to Committee.

Councillor Sanders stated that this issue is currently before the State Legislature and this resolution simply provides support for that initiative. She said that she would prefer it remain on the agenda this evening for action.

Councillor Mansfield said that the resolution does not set hours but simply requests support of a bi-partisan solution which allows home rule and allows the Council to make the decisions.

Councillor Nytes said that if this bill passes the State, then the Council will have to draft and consider legislation to enact it.

Councillor McWhirter said that she still thinks this needs more discussion at the State level and the local level. If this bill passes, each county could pass a different legislation, and a weaker law in Marion County could force more outlying residents into the county.

Councillor Salisbury said that this would provide another enforcement load for already over-stressed law enforcement officials. Each county passing their own legislation would lead to more confusion and the responsibility should lie with the State.

President Gray said that it takes eight votes to refer an item to committee and he called for a vote on the motion to refer Proposal No. 36, 2007 to committee. The motion carried on the following roll call vote; viz:

January 8, 2007

*12 YEAS: Borst, Cain, Cockrum, Day, Keller, Langsford, McWhirter, Pfisterer, Plowman, Salisbury, Schneider, Speedy*
